**RE: RRG/Clayton Chemical Site Soil Removal
 Ozark Circuits, Inc.
 My Client: Kamtel, Inc. d/b/a Ozark Circuits**

Dear Mr. Turner:

Please let this correspondence serve as a response to EPA correspondence on the above-referenced site dated September 27, 2005 addressed to Rati Patel, and regarding the matters referenced above. Also enclosed with this communication is a letter previously sent on Mr. Patel's behalf regarding his claimed PRP status for response costs associated with this site. As the enclosed communication demonstrates, Rati Patel and Kamtel, Inc. are not PRPs, and we have clearly identified the entity that you may be seeking in the attached correspondence. Please correct your records, and confirm this communication at your earliest opportunity.

Very truly yours,

Christian D. Horton

**RE: RRG/Clayton Chemical Site Soil Removal
 Ozark Circuits, Inc.
 My Client: Kamtel, Inc. d/b/a Ozark Circuits**

Dear Ms. Newlon:

Please be advised that I have the privilege of representing Kamtel, Inc., and your letters dated July 22, 2005 and August 9, 2005 regarding the above have been referred to me for response. Please let this correspondence serve as clarification regarding the PRP Ozark Circuits, Inc.

Enclosed with this communication you will find a copy of the Certificate of Incorporation of Kamtel, Inc. which was filed with the Missouri Secretary of State on January 13, 1999. Also enclosed is the Fictitious Name Registration held by Kamtel, Inc. for the name "Ozark Circuits." Kamtel, Inc. is currently in good standing with the Missouri Secretary of State, and has as a registered agent Mark L. McQueary who is my law partner. You will also see enclosed the 2005 Annual Registration Report for Kamtel, Inc. These documents are provided for your information on the corporate status of Kamtel, Inc.

The Participation Agreement targets Members who are alleged to have generated less than seventy-five thousand gallons of waste sent to the site from 1979 to 1998. Your list of potentially responsible parties from 1979 to 1998 identifies "Ozark Circuits, Inc." Ozark Circuits, Inc. is a forfeited Missouri corporation dissolved on March 8, 1999. I have enclosed the Missouri Secretary of State record in support which also shows the last registered agent as William A.R. Dalton. The last address I have for Mr. Dalton is through

his employment with Springfield City Utilities at 301 East Central, Springfield, Missouri 65802 (417-831-8604). Please direct all future communication regarding the above to Mr. Dalton.

Should this correspondence raise any questions or comments, please do not hesitate to contact me at your convenience and I will be happy to discuss them with you. I thank you for your very kind attention.

Very truly yours,

Christian D. Horton
